

## 28-11-18 WAL about Advent

We talked about Advent and what it means. Mrs Johnson helped us to create an Advent Wreath Ring. As part of RE we learnt about the Jewish faith and mitzvot (doing good deeds.) We have made a reverse Advent Calendar for our class. Instead of having chocolate each day as we count down towards Christmas we have written a good deed that we can do for our family. We thought carefully about what we could do. We also sorted pictures to show our thinking about good and not good deeds.
