Long Melford CE Primary School

Educational Visits Policy

Prepared By	*Amanda Woolmer - Headteacher*
Approved by the Committee/Governing body	*LGB – Long Melford CE Primary School*
Signature of Chair of Governors	
Date Approved	*November 2020*
Review Date	*November 2023*

Context

We believe that educational visits are an integral part of the entitlement of every pupil to an effective and balanced curriculum. Appropriately planned visits are known to enhance learning and improve attainment, and so form a key part of what makes Long Melford Church of England Primary School a supportive and effective learning environment. The benefits to pupils of taking part in visits and learning outside the classroom include, but are not limited to:

- Improvements in their ability to cope with change.
- Increased critical curiosity and resilience.
- Opportunities for meaning making, creativity, developing learning relationships and practicing strategic awareness.
- Increased levels of trust and opportunities to examine the concept of trust (us in them, them in us, them in themselves, them in each other).
- Improved achievement and attainment across a range of curricular subjects. Pupils are active participants not passive consumers, and a wide range of learning styles can flourish.
- Enhanced opportunities for 'real world' 'learning in context' and the development of the social and emotional aspects of intelligence.
- Increased risk management skills through opportunities for involvement in practical risk-benefit decisions in a range of contexts. ie. encouraging pupils to become more risk aware as opposed to risk averse.
- Greater sense of personal responsibility.
- Possibilities for genuine team working including enhanced communication skills.
- Improved environmental appreciation, knowledge, awareness and understanding of a variety of environments.
- Improved awareness and knowledge of the importance and practices of sustainability.
- Physical skill acquisition and the development of a fit and healthy lifestyle.

Application

Any visit that leaves the school grounds is covered by this policy, whether as part of the curriculum, during school time, or outside the normal school day.

In addition to this Educational Visits Policy, Long Melford Church of England Primary School:

1. Adopts the Local Authority's (LA) document: **'Guidance for Educational Visits and Related Activities with National Guidance & EVOLVE'** (All staff have access to this via EVOLVE).
2. Adopts National Guidance www.oeapng.info, (as recommended by the LA).
3. Uses EVOLVE, the web-based planning, notification, approval, monitoring and communication system for off-site activities.

All staff are required to plan and execute visits in line with school policy (ie this document), Local Authority policy, and National Guidelines. Staff are particularly directed to be familiar with the roles and responsibilities outlined within the guidance.

Types of visit

There are three types of visit:

1. Routine local visits in the 'Extended learning locality' (See Appendix 1).
2. Day visits within the UK that do not involve an adventurous activity.
3. Visit that are either overseas, residential, and/or involve an adventurous activity.

Roles and responsibilities

Visit leaders are responsible for the planning of their visits, and for entering these on EVOLVE (where required). They should obtain outline permission for a visit from the Head Teacher or EVC prior to planning, and certainly before making any commitments. Visit leaders have responsibility for ensuring that their visits will comply with all relevant guidance and requirements.

The Educational Visits Coordinator (EVC) is Matt Vale-Smith, who will support and challenge colleagues over visits and learning outside the classroom (LOtC) activities. The EVC is the first point of contact for advice on visit related matters, and will check final visit plans on EVOLVE. The EVC sets up and manages the staff accounts on EVOLVE, and uploads generic school documents, etc.

The Head Teacher has responsibility for authorising all visits, and for submitting all overseas, residential or adventurous activity visits to the LA for approval, via EVOLVE.

The Governing Body's role is that of a 'critical friend'. Governors fulfil their responsibilities in terms of challenging and supporting visits.

The Local Authority is responsible for the final approval (via EVOLVE) of all visits that are either overseas, residential, and/or involve an adventurous activity.

Staff Competence

We recognise that staff competence is the single most important factor in the safe management of visits, and so we support staff in developing their competence in the following ways:

- An apprenticeship system, where staff new to visits assist and work alongside experienced visit leaders before taking on a leadership role.
- Supervision by senior staff on some educational visits.
- Support for staff to attend training courses relevant to their role, where necessary.

In deciding whether a member of staff is competent to be a visit leader, the Head Teacher will take into account the following factors:

- Relevant experience.
- Previous relevant training.
- The prospective leader's ability to make dynamic risk management judgements, and take charge in the event of an emergency.
- Knowledge of the pupils, the venue, and the activities to be undertaken.

Approval

The approval process is as follows for each type of visit:

1. Local visits follow the 'Extending learning locality' policy (Appendix 1).
2. Day visits within the UK that do not involve an adventurous activity. These are entered on EVOLVE, and must be submitted to the EVC/Head for checking at least 7 days in advance.
3. Visits that are overseas, residential, and/or involve an adventurous activity (see LA guidance for definition of 'adventurous') are then submitted by the Head to the LA for approval.

Emergency procedures

A critical incident is any incident where events go beyond the normal coping mechanisms and experience of the visit leadership team.

The school has an emergency plan in place to deal with a critical incident during a visit (see Appendix 2). All staff on visits are familiar with this plan and it is tested at least bi-annually and following any major staffing changes.

When an incident overwhelms the establishment's emergency response capability, or where it involves serious injury or fatality, or where it is likely to attract media attention then assistance will be sought from the local authority.

Educational Visits Checklist

Long Melford Church of England Primary School's Educational Visits Checklist forms part of the risk management process for visits and off-site activities. This has been adapted from the LA's generic checklist. A visit should only go ahead if the answer to all relevant questions is 'YES'. Long Melford Church of England Primary School's Educational Visits Checklist may be downloaded from EVOLVE Resources.

Parental Consent

The school obtains blanket consent at the start of each year for activities that fall within the 'Extended learning locality' (see Appendix 1). Parents have the option of consenting through a traditional paper consent form.

Specific (ie. one-off), parental consent must be obtained for all other visits. For these visits, sufficient information must be made available to parents, so that consent is given on a 'fully informed' basis. As above, parents have the option of consenting through a traditional paper consent form.

Inclusion

Long Melford Church of England Primary School is a fully inclusive school. All children are included in all trips.

Charging / funding for visits

Please see the Charging and Remissions Policy.

Transport

The school follows National Guidance regarding transport.

Insurance

The school has an RPA (Risk Protection Arrangement) Insurance from the Department for Education.

Appendix 1 - Extended Learning Locality

Boundaries

The boundaries of the locality are shown on the attached map. This area includes the following frequently used venues:

- Holy Trinity Church
- St Catherine's Church
- River Stour
- Long Melford Village Hall
- Long Melford Green
- Long Melford Library
- Melford Hall
- Kentwell Hall
- Melford Court Care Home
- Steeds Meadow
- Long Melford British Legion
- Long Melford County Park
- Long Melford Rail Walk

We use this extended area on a regular basis for a variety of learning activities, and approved staff are allowed to operate in this area without completing the EVOLVE visit approval process, provided they follow the below Operating Procedure.

Operating Procedure for Extended Learning Locality

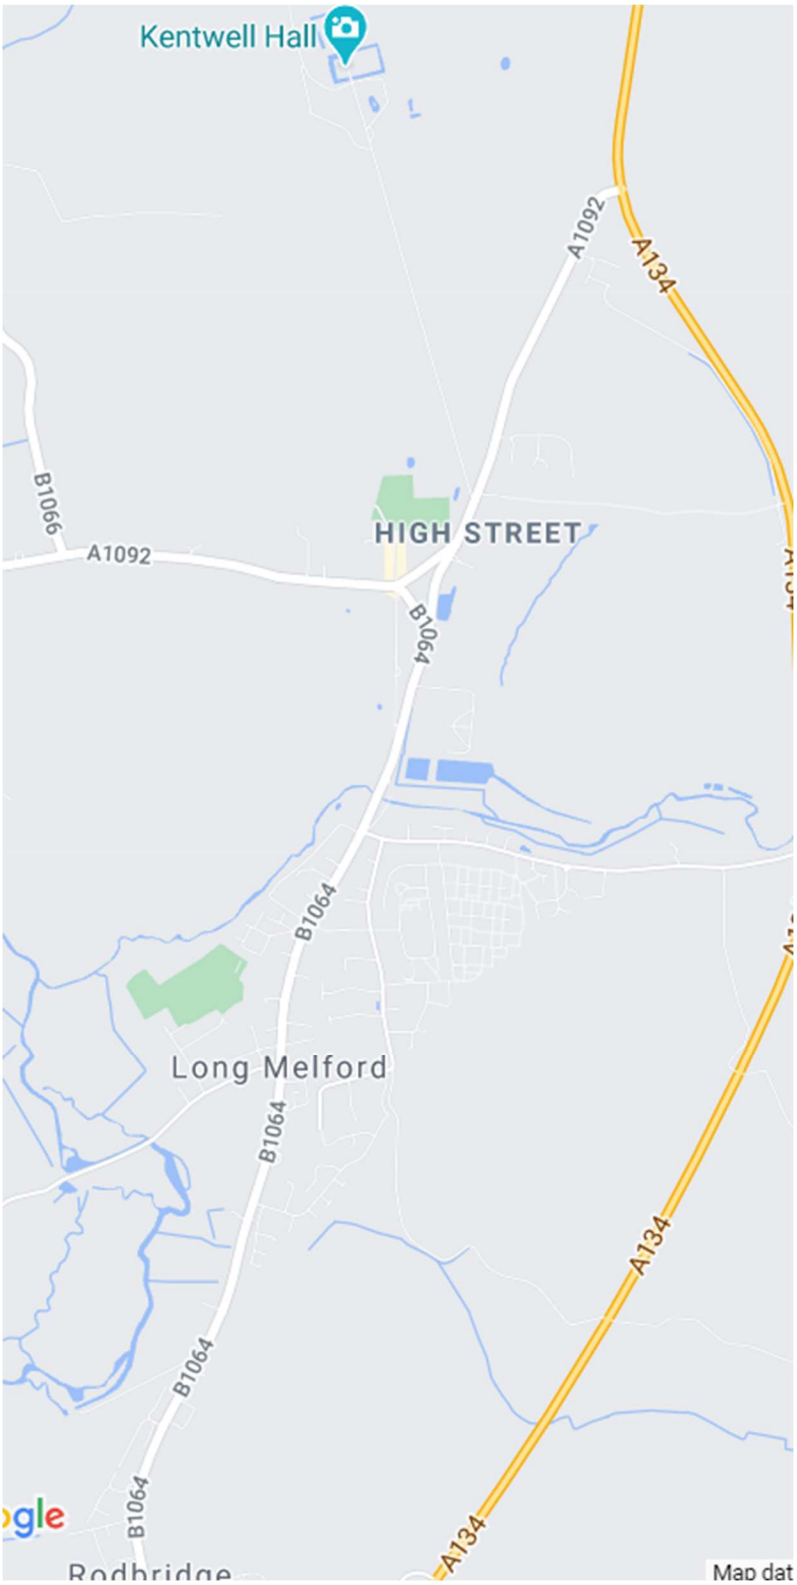

The following are potentially significant issues/hazards within our extended locality:

- Road traffic, especially farm vehicles
- Other people / members of the public / animals including horses and grass snakes.
- Losing a pupil.
- Uneven surfaces and slips, trips, and falls.
- Lack of footpaths
- Weather conditions.
- Activity specific issues when doing environmental fieldwork (nettles, brambles, rubbish, etc).

These are managed by a combination of the following:

- The EVC / Head must give verbal approval before a group leaves.
- Only staff judged competent to supervise groups in this environment are approved. A current list of approved staff is maintained by the EVC and office.
- The concept and Operating Procedure of the 'Extended learning locality' is explained to all new parents when their child joins the school.
- There will normally be a minimum of two adults.
- Staff are familiar with the area, including any 'no go areas', and have practiced appropriate management techniques.
- Pupils have been trained and have practiced standard techniques for road crossings in a group.
- Where appropriate, pupils are fully briefed on what to do if they become separated from the group.
- Pupils' clothing and footwear is checked for appropriateness prior to leaving school.

- Staff are aware of any relevant pupil medical information and ensure that any required medication is available.
- Staff will deposit in the office a list of all pupils and staff, a proposed route, and an estimated time of return.
- A mobile is taken with each group and the office have a note of the numbers.
- Appropriate personal protective equipment is taken when needed (eg gloves, goggles)

Appendix 2 – Emergency Procedure

The school's emergency response to an incident is based on the following key factors:

1. There is always a nominated emergency base contact for any visit (during school hours this is the office).
2. This nominated base contact will either be an experienced member of the senior management team, or will be able to contact an experienced senior manager at all times.
3. For activities that take place during normal school hours, the visit leadership team will be aware of any relevant medical information for all participants, including staff.
4. For activities that take place outside normal school hours, the visit leadership team and the emergency contact/s will be aware of any relevant medical information and emergency contact information for all participants, including staff.
5. The visit leader/s and the base contact/s know to request support from the local authority in the event that an incident overwhelms the establishment's emergency response capability, involves serious injury or fatality, or where it is likely to attract media attention.
6. For visits that take place outside the 'extended learning locality', the visit leader will carry either:
   a) An LA Emergency 'Card' (see EVOLVE Resources), or
   b) An OEAP National Guidance Emergency action card *(Available via www.oeap.info)*
7. This Emergency Procedure is tested through both desk top exercises and periodic scenario calls from visit leaders.
6. For visits that take place outside the 'extended learning locality', the visit leader will carry an LA Emergency 'Card' (see EVOLVE Resources).
