Messy Church is a church activity group focused on craft, creativity, celebration, and hospitality. The afternoon is designed to be accessible and welcoming to families. Everyone is invited and you do not have to regularly attend church in order to come. The session will involve fun, hands-on activities like arts and crafts, followed by a short, informal worship service and sharing a meal. The "messy" aspect refers to the creative activities and the idea of being a place where people can be themselves.

On Sunday 19th October, Messy Church will take place at Long Melford CE Primary School.

Harvest Festival

Year 3, 4, 5 and 6 prepared art work and poetry that was displayed at the Church for Harvest Festival. Rev Lawson sent a message to everyone,

“The art work is seriously impressive. Thank you all for making the church look so special for Harvest.”

Pam Tonks added,

“Thank you so much for your amazing artwork and poems- we were stunned by the quality.”

If you did not have a chance to go and see the art work at the Church, please see the photographs below:

Smart Watches

Since the Summer break, we have noticed a significant increase in a number of our children wearing smart watches in school.

We know that mobile phones/smart watches can be a valuable and important resource for our children; we frequently discuss safe use of these devices, both in general and as part of our online safety lessons.

Despite the obvious distraction that these devices can pose, smart watches are internet and camera enabled and therefore present the same concerns as mobile phones in terms of safeguarding.

Parents should not allow their children to wear a smart watch to school.

We thank you for your understanding and support with this matter.
